kinetics

Description about enterprise:

We blend beauty aesthetics with innovative formulas, resulting in high performance products. Design matters, so we manufacture a memorable, professional nail cosmetic range that's fashionable, of superior quality and that expresses individuality.

Valid certificates:

9001, GMP 22716

Products

SolarGel Nail Polish

SolarGel is a 2-step latest generation nail polish system which uses elements of gel polish to achieve superior shine and give it a gel-like look without drying in lamp. It has scratch resistant top coat providing longer wear time compared to traditional nail polish.

SHIELD Gel Polish

Shield gel polish is a classic 3 step professional formula with wide color range and highly pigmented formula. It cures in both -UV and LED lamps. All Shield colors are available also in SolarGel Professional Nail Polish formula.

NAIL CARE

Professional range of nail care products - Nail Treatments, Cuticle Oils, Top & Base coats and Hardeners for all nail types.

SKIN CARE

Professional hand creams, Hand & Body lotions, White SPA

GEL & ACRYLIC

Products for professionals - Gel, Acrylic & Accessories
